

Date: June 17, 2009

Subject: Milling/Paving schedules

The City of Waterbury, Public Works Department's 2009 paving program is scheduled to begin Thursday, June 18, 2009 (weather permitting). Crews will begin milling scheduled streets on June 18th with paving crews beginning work on Wednesday June 24th.

All effected streets will be posted with "No Parking" signs in advance of the work. Residents must adhere to the No Parking requirement in order to avoid the towing of vehicles. Motorists are urged to exercise caution in these work areas, due to equipment and workers in the work zones.

Any question regarding the paving program can be addressed to the Public Works Department, Bureau of Streets at 574-8260/8261, or the Bureau of Engineering at 574-6851
