This notice serves as a written statement of WATERBURY's intention to conduct drug testing as part of the application process. The testing will be conducted in accordance with the procedures required by applicable state and federal regulations. Tested applicants will be given a copy of any positive test result. A consumer report may include information regarding such issues as your criminal record, motor vehicle record, character and reputation or other public record information on file in local, state or federal agencies. These reports may contain information regarding your use of social media, and other publicly accessible information. If WATERBURY obtains a "consumer report" about you, and considers any information in the "consumer report" when making an employment-related decision that directly and adversely affects you, you will be provided with a copy of the report before the decision is finalized and other information required by the FCRA (including a summary of your rights under the FCRA and the name, address and telephone number of the consumer reporting agency and other applicable federal agencies).
