Household Hazardous Waste Drop-off Events Scheduled for 2025

What is HHW?

Keep our waterways and trash bins free from dangerous stuff by dropping it off to one of the free Household Hazardous Waste collection events! The first was on Saturday April 12th, 8 am – 2 pm, at the Naugatuck Transfer Station, 34 Andrew Avenue. The 2nd event will be on July 26th, at the John Trumbull School, Oakville. The 3rd will be on September 27th at Beacon Falls Recreation Complex.

“Household Hazardous Waste” refers to items from your garden, workshop, toolshed, garage and even kitchen that are poisonous or otherwise dangerous e.g. bug spray, brake fluid, drain cleaner etc.
