

The Office of Mayor Neil M. O'Leary

FOR IMMEDIATE RELEASE

October 4th, 2020

Mayor O'Leary Announces Reinstatement of Municipal Building Access Restrictions

Since Thursday, October 1st the City of Waterbury's Health Department has been notified of an additional 60 residents who have tested positive for COVID-19. In response to this recent uptick, and in an effort to protect the safety of our residents and our city personnel, Waterbury City Hall, the Chase Municipal Building, the Jefferson Square Office Building, the Waterbury Water Department, and Waterbury Water Pollution Control will be partially closed to the public beginning Monday, October 5th.

Mayor O'Leary remains deeply committed to providing essential services to our residents. However, we ask that residents conduct city related business over the phone or internet to the greatest extent possible. Below you will see contact information for city departments that will offer appointments for essential service requests. In addition, city personnel will be stationed on the first floor of Waterbury City Hall, the Chase Municipal Building, and the Jefferson Square Office Building for individuals who arrive with immediate questions.
