#### Western Hills & East Mountain Golf Courses Opening Day

On Wednesday, March 24<sup>th</sup>, the city golf courses (Western Hills and East Mountain) will open. The City is also excited to announce that golf carts will be available for use. To book a tee time please visit: <http://golfwaterbury.foreupwebsites.com/> or call: (Western Hills - (203) 755-6828) (East Mountain – (203) 753-1425).

Western Hills Golf Course was originally designed by William F. Goron, and was opened for play in fall 1960. This course is known for its rolling terrain and beautiful vistas. Renovated in 2007 by golf course architect Stephen Kay, the project included bunkering and design changes to improve playability and drainage.

East Mountain Golf Course was designed by golf architect Wayne Stiles and was opened for play in 1932. The golf course shows much the same character as many of the classic designs of this period. East Mountain Golf course was redesigned in 2007 by golf architect Stephen Kay to increase par from 67 to 70, the course is challenging to players of all skill levels, while remaining very accessible for the walking player.
