

**City of Waterbury 2018 Milling & Paving Program
October 18, 2018**

Milling and paving operations on various City streets will begin on Monday, October 22, 2018. Tilcon of CT has been awarded the contract for this project.

All streets to be milled and paved will have “No Parking” notices posted 24 hours prior to the start of work. Vehicles parked in the posted work zones will be towed at the owner’s expense.

The schedules shown below are tentative in nature, and do not represent an exact schedule. Road Work is weather dependent.

Questions should be directed to the Department of Public Works/Bureau of Engineering (203) 574-6851.
