

WATERBURY
Development Corporation

The Waterbury Development Corporation on behalf of the City of Waterbury would like to inform you that the **East Main Street Utility Improvement Project** has started. On the week of October 28, 2019 Dayton Construction will be taking 6 (six) parking spaces on the side of the Palace Theater in order to conduct a test pit and repair work to the sewer. Dayton Construction Company's hours of work are 7:00 am-3:00 pm. Please see the attached map describing the area of work for this week. Should you have any questions or concerns please contact Project Manager Zachary Keith at Waterbury Development Corporation 203-346-2607 ext. 7287 or keith@wdconline.org.
