City of Waterbury Daily Coronavirus Update

June 13, 2020

Governor Lamont signs 52nd executive order to mitigate the spread of COVID-19

Governor Lamont today signed another executive order – the 52nd since he enacted the emergency declarations – that builds upon his efforts to encourage mitigation strategies that slow down transmission of the virus. [Executive Order No. 7YY](#) enacts the following provisions:

- **Resumption of court filing deadlines:** Amends Executive Order No. 7G, Section 2 to provide that the suspension of requirements or deadlines related to Supreme or Appellate Court filings in cases pending before those courts to assist the Judicial Branch in its plans to resume more court business.
- **Modifications to DMV functions:** Makes several adjustments to the functions administered by the Department of Motor Vehicles to allow customers to conduct more business remotely and reduce the need for in-person visits to DMV branches and affiliates.
- **Modifications to Executive Order No. 7E:** Repeals Executive Order No. 7E, Section 2 effective June 15.

Senior citizens in need of special assistance are encouraged to call 3-1-1 for help with: Prescription pick up and/or drop off, emergency transportation, supplemental food drop off, etc.

Quick Resources:

SAFEGUARDS: FOR ALL BUSINESSES

As we continue to reopen select businesses on June 17th, we will open at our strictest controls on business operations and societal interaction. This will include, among other measures:

- CERTIFICATION
 - Complete the self-certification on the DECD website to receive a Reopen CT badge. Once complete, businesses can choose to post the badge on-site and on social media to advertise adherence to CT rules and build customer confidence
- THOROUGH CLEANING
 - Complete a thorough cleaning of facility prior to reopening, including:
 - Bathrooms
 - Equipment
 - Desks/work stations
- WATER FOUNTAINS
 - Patrons shall be required to bring their own water bottles. Water fountain use shall be restricted to water bottle filling stations only. Congregating at water bottle filling stations shall be limited, and signage reinforcing the use of water bottle filling stations only must be displayed.
- VENTILATION
 - For facilities with central ventilation systems, increase ventilation rates and increase the percentage of outdoor air that circulates into the system where possible. For facilities where a central ventilation system is not used, window air

conditioning units or unit ventilators should be adjusted to maximize fresh air intake into the system; blower fans should be set on low speed and pointed away from room occupants to the extent possible. Ceiling fans should be adjusted so that fins are rotating in a direction that draws air up toward the ceiling rather than down onto occupants. Window fans should be turned to exhaust air out of the window in the direction of the outdoors.

- **PERSONAL PROTECTION FOR EMPLOYEES**
 - All employees are required to wear a facemask or other cloth face covering that completely covers the nose and mouth, unless doing so would be contrary to his or her health or safety due to medical conditions.
 - Employees may utilize their own cloth face covering over that provided by their employer if they choose.
 - Gloves and eye protection is required when using cleaning chemicals.
- **PERSONAL PROTECTION FOR PATRONS**
 - Patrons are required to bring and wear masks or cloth face coverings that completely cover the nose and mouth, unless doing so would be contrary to his or her health or safety due to a medical condition.

 - Professional sporting event organizers should contact DECD for approval of event plans and protocols

LIBRARIES

Libraries can open at up to 50% capacity in the current phase of reopening.

- FINES & DUE DATES
 - Consider waiving fines and extending due dates to discourage patrons from coming into the library in-person.
- BOOK DROP
 - Consider encouraging patrons to use book drops to return books instead of returning in-person at circulation desks.
 - Books returned to the library will be quarantined for at least 48 hours (or intervals based on research approved by the CDC and IMLS).
- BOOK STACKS
 - Libraries should consider ways to maintain social distancing in aisles between book stacks, including signage to direct traffic patterns, limiting the number of patrons allowed in stack areas, or providing access to materials by staff retrieval
- COMPUTER TERMINALS
 - Block off every other computer terminal or every third to ensure 6 ft of social distancing.
- ENTRY AND EXIT
 - Consider an exit from the facility separate from the entrance to allow for one-way foot traffic.
- CIRCULATION DESK
 - Install physical barriers around the circulation desk.
- PUBLIC AREAS
 - Rearrange seating to maintain 6 ft of distance between seats. In particular, patrons shall not be sitting face-to-face if they would be less than 6 ft apart. This may require marking some desks/chairs as “not in use”.
- CAFES/FOOD ESTABLISHMENTS
 - Must follow Sector Rules for Restaurants.

INDOOR RECREATION

- ENTRY & EXIT
 - Consider an exit from the facility separate from the entrance to allow for one-way foot traffic.
- SIGNAGE

 - Use partitions between employees, or between employees and customers where a 6 ft. distance cannot be maintained, where possible (e.g. check-in counters).
- SELF SERVICE
 - Remove all self-serve items on the premises (e.g. self-service bowling ball) and have staff provide such items to patrons directly
- CUSTOMER EQUIPMENT
 - Require customers to use only one piece of equipment during their visit (e.g. one bowling ball). Clean equipment in between customer use (e.g. bounce houses, golf putters). If cleaning or disinfecting equipment is not possible, “quarantine” equipment for 48 hours
- RESERVATIONS
 - Where possible, reservations should be required.
- TICKETING
 - Encourage contactless and/or digital ticketing where possible.
- GROUPS
 - For group activities, do not combine persons or small groups with other non-related or non-associated persons or small groups.
- PAMPHLETS/PRICING/MENUS
 - Businesses are encouraged to use no-touch or disposable options for pamphlets/pricing/menus (e.g. phone app, whiteboard). If no-touch or disposable options are not commercially possible, businesses must sanitize pamphlets/pricing/menus between uses.

MUSEUMS, ZOOS, AND AQUARIUMS (Indoor and Outdoor)

Museums, zoos, and aquariums may open outdoor and indoor exhibits at 50% capacity in the current phase of reopening.

- **ELEVATORS**
 - Encourage social distancing while using elevators, by:
 - Encouraging social distancing while individuals queue using visual markers
 - Using signage displaying healthy elevator use protocols, including passenger limits and safe distances in the carriage
 - Using elevator attendants to manage flow and discourage over-crowding
 - Using floor markers that establish distancing zones and describe where to stand
 - Encourage alternatives, such as stairs, where possible

- **TICKET PURCHASES/WELCOME AREAS/LOBBIES**
 - Limit cash and paper receipt transaction. “Touchless” payment options are recommended. Use online ticket sales only if this is an option for your museum/zoo/aquarium.
 - Use timed tickets and/or reservations for entry into the facility, and ensure visitors understand the timed limits of their visit.
 - Discourage loitering in welcome areas and lobbies.
 - Close or remove amenities non-essential to businesses’ main function (e.g. self-serve brochures, gallery guides, or activities).

- **ISOLATION PLAN**
 - Develop a detailed plan in case any attendee self-identifies and/or becomes ill with symptoms consistent with COVID-19 during the visit. The plan should include a designated isolation area and align to local municipality COVID-19 health protocols

- **ONE-WAY FLOW**
 - Post floor markings to direct visitors in a one-way flow where possible

- **INTERACTIVE EXHIBITS**
 - Carefully consider your organization’s interactive exhibits. Interactive exhibits may include all indoor play areas, touch screens, exhibits designed for visitors to manipulate, etc. Only those interactive exhibits/experiences/activities that may be subject to a thorough, routinely scheduled cleaning may be open. To the extent possible, groups that come together should not mingle with other visitor groups.

- **GENERAL**
 - Remove all but needed seating from public areas, and establish a cleaning schedule for exhibit galleries/areas that includes any public seating.
 - Close public water fountains.
 - Attendants to remain at the same workstation throughout the day to minimize movement.
 - Install physical barriers for ticket counters where possible.

- Attendants to enforce maximum occupancy per exhibition room/area where possible.
- PERFORMANCES
 - Performances are permitted outdoors only. Performers are exempt from wearing a mask when they are performing and are at least 12 ft away from the nearest person (including other performers).
- INDOOR EXHIBITS
 - May remain open with the following measures in place.
- SELF-GUIDED VISITS
 - Staff members trained in COVID-19 safety protocols should be stationed in discrete exhibit areas.
 - Discourage loitering in the exhibit areas.
 - Enforce timed entry and exit.
- GUIDED VISITS & TOURS
 - Tours are limited to the number of people that may safely social distance for the majority of the tour. No more than 10 people including tour guide(s).
 - All participants on the tour must wear face masks.
 - Visitors must be reminded not to touch any surfaces on the tour except for handrails and banisters. Handrails and banisters, exhibition case Plexiglas surfaces, and station barriers should be considered high touch areas and subject to regular cleaning.
 - During tours that walk through historic spaces that may be narrow, it is highly suggested for each tour to have one additional tour guide at the end of the group to assist as needed.
- AUDIO-GUIDES
 - Do not use in Phase 2 reopening.
- GIFT SHOPS & FOOD PLACES
 - Gift shops and on-site commerce may resume provided that all rules in effect for retail businesses are followed.
 - Indoor restaurants may be open provided that all rules in effect for indoor restaurants are followed.
 - Outdoor food counters/snack bars are permitted in accordance with restaurant rules.
- EVENTS
 - Indoors: None allowed.
 - Outdoors: Follow Sector Rules for Outside Events Up To 50 People.
- CHILDRENS MUSEUMS, SCIENCE MUSEUMS, TRANSPORTATION MUSEUMS, NATURE CENTERS, ETC.

- The nature of these museum experiences may involve higher touch levels and increased personal interaction between non-family groups. For additional information, please see the state Sector Rules for reopening Gyms and Fitness, Outdoor Amusement Parks, Indoor Recreation, Outside Events up To 50 People, Youth Sports, etc.

RESTAURANTS

- **BUFFETS & SELF-SERVICE STATIONS**
 - Eliminate buffet and self-serve stations
- **SEATING/TABLE ARRANGEMENT**
 - Rearrange space to maintain at least 6 ft. of empty space between customers groups. Customer groups may be seated less than 6 ft. apart if non-porous barriers (e.g. Plexiglas, wood) that extend 30 inches above table height are installed between tables/booths. Restaurant owners should consult with their local Fire Marshal to ensure that any barriers constructed inside their restaurants are compliant with life safety code regulations
- **WAITING ROOMS**
 - Close indoor waiting areas
- **SHARED EQUIPMENT**
 - Ensure employees do not share equipment to the extent possible (e.g. cooking equipment, trays, etc.). If shared, clean after each use.
- **NON-ESSENTIAL AMENITIES**
 - Close or remove amenities non-essential to business's main function (e.g. dance floor, pool table).
- **IN THE KITCHEN**
 - Re-arrange workstations so that food workers do not face one another and are 6 ft apart where possible (e.g. stagger workstations on either side of processing lines)
- **SILVERWARE**
 - Utensils should be rolled or packaged.
- **CONDIMENTS**
 - Use single use packets or containers.
- **MENUS**
 - Businesses are strongly encouraged to use no-touch or disposable options for menus (e.g. phone app, whiteboard). If no-touch or disposable options are not utilized, businesses must sanitize menus between uses
- **CONDIMENTS**

- Use single use packets or containers
- **BAR SEATING**
 - Bar seating is permitted provided that either:
 - There are no active work areas or working staff behind the bar; or
 - There is a physical barrier (e.g. Plexiglas) separating customers from the bar space
 - In addition, parties must be seated at bars (no standing customer service) and parties must be spaced at least 6 ft from other parties
- **PICK-UP, DRIVE-THROUGH, & DELIVERY**
 - Establishments should follow the FDA guidelines for pick-up, drive-through, and delivery operations that are posted on FDA's website. Restaurants should also take the following steps to assist customers with physical distancing:
 - Encourage customers to place orders online or by phone
 - Offer curbside pick-up where practicable
 - Demarcate 6 ft distance between pick-up or payment locations, and between the waiting lines for customers waiting in line.

HOTELS/LODGING

Hotels/Lodging are open to guests with reservations

- **THOROUGH CLEANING**
 - Complete a thorough cleaning of facility prior to reopening, including but not limited to:
 - Entrances/lobbies, hallways, elevators, door handles/door knobs
 - Bathrooms
 - Kitchens
 - Shared equipment (e.g., printers, scanners, phones, key card machines, vending machines)
- **ONGOING MESSAGING**
 - Use announcement system and screens to reinforce distancing instructions.
- **MEETING & CONVENTION SPACES**
 - Limited to current indoor social guidance per Executive Order.
- **DISCRETE WORK ZONES**
 - Cleaning crews should service specific zones/floors to minimize overlap, where possible; check-in personnel and back-of-house employees should remain at same desk/workstation through workday where possible.
- **COMMON AREAS**
 - Rearrange common areas to account for social distancing and clean frequently.
- **POOLS & GYMS**

- Must follow Sector Rules for Sports, Sports Clubs & Complexes, Gyms, Fitness Centers, & Pools.
- ELEVATORS
 - Encourage social distancing while using elevators
- FRONT DESK
 - Install shields if 6 ft. of distance cannot be maintained
- TRASH
 - Empty and clean garbage cans in public areas regularly; ensure trash cans/bins have lids
- LAUNDRY
 - Wash linens and uniforms with detergents, dry thoroughly, and store in closed cabinets.
 - Launder bed scarves/duvets/ curtains frequently.
 - Bag dirty linens in the guest room.
 - Recommend uniforms be laundered daily at no cost to employees.
- KEY CARDS
 - Disinfect key cards during handover at check-in and check-out.

AMUSEMENT PARKS OUTDOOR ONLY

Outdoor amusement parks can open at up to 25% capacity

- PARKING
 - Parking staff must direct customers to park in every other spot to ensure social distancing during peak parking hours.
- WALKWAYS INTO PARK
 - Increase signage during walk in to educate customers.
- TICKET AREAS & FRONT GATE
 - Require online ticket purchase to the greatest extent possible. Place markers on the ground to encourage those purchasing tickets to social distance. Given it will likely be multiple members of a family waiting in line, markers should be 10 ft apart.
 - Install physical barriers for ticket counters.
- RIDES & ATTRACTIONS
 - Develop specific loading and social distancing procedures for each ride and attraction, including but not limited to:
 - Leaving empty rows
 - Seats

- Separating guests to maintain safe distances
- RIDES
 - Ride attendants will frequently clean and disinfect seats and restraints
